Sandi Reinardy and Keith Furman  
5235 Harbor Court  
Madison, WI 53705

RE: Approval of a conditional use to construct a single-family residence on a lakefront property at 5328 Lake Mendota Drive (ID 51322; LNDUSE-2018-00040)

Dear Ms. Reinardy and Mr. Furman;

At its June 18, 2018 meeting, the Plan Commission found the standards met and **approved** your conditional use for 5328 Lake Mendota Drive. The conditions of approval in the following sections shall be satisfied prior to issuance of demolition or building permits for the project.

**Please contact Tim Troester of the Engineering Division at (608) 267-1995 if you have any questions regarding the following two (2) items:**

1. It is unclear whether the property will use the existing sewer lateral or install a new one. If a new lateral is proposed, the sewer in Lake Mendota Drive is a Madison Metropolitan Sewerage District (MMSD) sewer. A permit to would need to be obtained from MMSD. Contractor shall notify Ray Schneider (608)347-3628, [rays@madsewer.org](mailto:rays@madsewer.org), 5 days prior to making the connection to the MMSD manhole to arrange for inspection of the connection. Sewer connection shall conform to all MMSD connection specification criteria. Contractor is responsible for taking out the MMSD connection permit as well as the permit connection fee (\$1075, 2018 rate) if applicable.
2. Applicant shall show the regulatory 100-year flood plain boundary on the site plan to confirm that the structure is outside the FEMA defined flood boundary.

**Please contact Jenny Kirchgatter of Zoning at (608) 266-4429 if you have any questions regarding the following five (5) items:**

3. Show the height of the proposed single-family dwelling on the elevations. The maximum height is 35 feet. Height is the average of the height of all building facades. For each facade, height is measured from the midpoint of the existing grade to the highest point on the roof of the building or structure. No individual facade shall be more than fifteen percent (15%) higher than the maximum height of the zoning district.

4. Provide a complete inventory of shoreline vegetation in any area proposed for building, filling, grading or excavating. In addition, the development plan shall indicate those trees and shrubbery which will be removed as a result of the proposed development. The cutting of trees and shrubbery shall be limited in the strip thirty-five (35) feet inland from the normal waterline. On any zoning lot not more than thirty percent (30%) of the frontage shall be cleared of trees and shrubbery.
5. Provide a complete inventory of shoreline vegetation in any area proposed for building, filling, grading or excavating. In addition, the development plan shall indicate those trees and shrubbery which will be removed as a result of the proposed development. The cutting of trees and shrubbery shall be limited in the strip thirty-five (35) feet inland from the normal waterline. On any zoning lot not more than thirty percent (30%) of the frontage shall be cleared of trees and shrubbery.
6. Filling, grading and excavation of the zoning lot may be permitted only where protection against erosion, sedimentation and impairment of fish and aquatic life has been assured. Obtain necessary erosion control permits.
7. Any earth disturbing activity along the lakeshore such as the installation of the proposed rip rap may require a permit from the Department of Natural Resources. Contact the Department of Natural Resources for more information.
8. Per Section 28.186(4)(b), the property owner or operator is required to bring the property into compliance with all elements of the approved site plans by the date established by the Zoning Administrator as part of the site and building plan approval. Work with Zoning staff to establish a final site compliance date.

**Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following item:**

9. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D. Additional information is available at the Home Fire Sprinkler Coalition website: <https://homefiresprinkler.org/building-residential-fire-sprinklers>.

**Please contact Sarah Lerner of the Parks Division at (608) 261-4281 if you have any questions regarding the following four (4) items:**

10. An existing inventory of trees (location, species, & DBH) and any tree removal plans (in PDF format) shall be submitted to the plans and Brad Hofmann – [bhofmann@cityofmadison.com](mailto:bhofmann@cityofmadison.com) or 266-4816. All proposed street tree removals within the right of way shall be reviewed by City Forestry. Approval and permitting of street tree removals shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.
11. Existing street trees shall be protected. Please include the following note on the site plan: Contractor shall install tree protection fencing in the area between the curb and sidewalk and extend it at least 5 feet from both sides of the tree along the length of the terrace. No excavation is permitted within 5 feet of the outside edge of a tree trunk. If excavation within 5 feet of any tree is necessary, contractor shall contact City Forestry (266- 4816) prior to excavation to assess the impact to the tree and root system. Tree pruning shall be coordinated with City Forestry prior to the start of construction. Tree protection specifications can be found in section 107.13 of City of Madison Standard Specifications for Public Works Construction - <http://www.cityofmadison.com/business/pw/documents/StdSpecs/2018/Part1.pdf>. Any tree removals that are required for construction after the development plan is approved will require at least a 72 hour wait period before a tree removal permit can be issued by Forestry, to notify the Alder of the change in the tree

plan.

12. Additional street trees are needed for this project. All street tree planting locations and trees species within the right of way shall be determined by City Forestry. Please submit a site plan (in PDF format) to Brad Hofmann – bhofmann@cityofmadison.com or 266-4816. Tree planting specifications can be found in section 209 of City of Madison Standard Specifications for Public Works Construction –
13. Contractor shall contact City Forestry Brad Hofmann bhofmann@cityofmadison.com or 266-4816 at least one week prior to planting to schedule inspecting the nursery stock and review planting specifications with the landscaper.

**Please contact Adam Wiederhoeft of the Water Utility at (608) 266-9121 if you have any questions regarding the following two (2) items:**

14. If the proposed structure requires a new water service lateral, a Water Service Application Form and fees must be submitted before connecting to the existing water system. Provide at least two working days notice between the application submittal and the requested installation or inspection appointment. Application materials are available on the Water Utility's Plumbers & Contractors website (<http://www.cityofmadison.com/water/plumberscontractors>), otherwise they may be obtained from the Water Utility Main Office at 119 E Olin Ave. A licensed plumber signature is required on all water service applications. For new or replacement services, the property owner or authorized agent is also required to sign the application. A Water Meter Application Form will subsequently be required to size & obtain a water meter establish a Water Utility customer account and/or establish a Water Utility fire service account, or if the existing 3/4-inch water lateral to the site is to be reused. If you have questions regarding water service applications, please contact Madison Water Utility at (608) 266-4646.
15. All operating private wells shall be identified and permitted by the Water Utility in accordance with MGO 13.21. All unused private wells shall be abandoned in accordance with MGO 13.21.

**Please contact my office at (608) 243-0554, if you have questions regarding the following item:**

16. The applicant's final sign-off plans shall include a grading plan and elevation drawings that label the finished-grade elevations at the building corners for approval by Planning Division staff.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

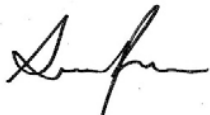

**Please now follow the procedures listed below for obtaining permits for your project:**

1. After the plans have been revised per the above conditions, please file **seven (7) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 126 S. Hamilton Street. **This submittal shall all also include one (1) complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.

2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. A conditional use approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
5. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at (608) 243-0554.

Sincerely,

Sydney Prusak  
 Planner
