Most of my record is from my early adulthood in which I was hanging with the wrong sort of people and made very poor decisions. I am ashamed of my record but since have married a good/great woman raised our children in a good Christian manner. I have strived to better our household and myself since my youth. Thank you for your time and consideration

I am no longer the person that I was when I broke the law. Just as I have raised my children to learn from my mistakes and respect their neighbors, community and law enforcement, I too hope you can see my progress & growth since my convictions.
