Subject: Milwaukee street plan

Dear Plan commission,

My family lives at [REDACTED] [Dawes Street](#). We purchased this house 4 years ago due to the location of the park and the quiet dead end street with the hopes of little ones growing up in this house. We now have a 3 year old and we visit both parks at Eastmorland almost daily. He rides his bike in the cul de sacs and we enjoy the lack of traffic and the added safety. We are looking forward to more commerce and the building up of Milwaukee street. However, seeing the alternate plan with Buckingham street as a thorough fare made my heart sink. This would change everything about the neighborhood we love and we adamantly oppose this. We're traveling today and are unable to make the meeting tonight. I hope that you listen to us neighbors and revisit this decision.

Thank you,

Kim Sisson
