To Whom It May Concern:

Sabrina Madison is a resourceful leader already driving change in our city and county in new and important ways.

I've been living in Madison and working and volunteering in the nonprofit sector for 23 years. I support Ms. Madison's proposal for the City of Madison 2018-19 Community Building and Engagement: Leadership Development program.

Ms. Madison has demonstrated her skills and connections to facilitate problem solving among diverse groups. Most of all, her passion, her humor, and her stellar abilities to listen and help others get heard make Ms. Madison and the Progress Center for Black Women are key assets for building stronger neighborhoods and engaged citizens.
