Re: Certificate of Appropriateness for 1 Speedway Road

At its meetings on July 23, 2018 and August 27, 2018, the Landmarks Commission reviewed, in accordance with the provisions of the Historic Preservation Ordinance, your plans to alter the landmark site located at 1 Speedway Road. At the July 23 meeting, the Commission retroactively approved a Certificate of Appropriateness for the removal of the small CSA Plaque Monument.

This letter will serve as the "Certificate of Appropriateness" for the project described above.

At the August 27 meeting, the Commission denied a Certificate of Appropriateness for the removal of the historic communal marker and requested that the Board of Parks Commissioners approve the installation of an interpretive sign explaining the history of Confederate Rest and the Native American burial mounds.
