Subject: Re: Meeting at Michelangelo's re Lot line renderings

9/14/2018

To whom it may concern:

I currently own the 128, 130 and 132 State street properties and I am in favor of the new hotel to be constructed in the 100 block of State street. I feel it will enhance the character of the block, eliminate buildings which are no longer an asset to the block and bring additional business to the local merchants.

Sincerely,

Cox Rentals, LLC
William Cox, member
