Subject: **Kajsiab House**

Dear Shiva,

Yesterday the County agreed to provide \$40,000 in one-time emergency funding for community services towards the gap for Kajsiab House for the remainder of the year. Because we already have a contract with the Catholic Multicultural Center for programmatic purposes, the funding can be provided without additional approvals.

It is my understanding Catholic Multicultural Center has agreed to be the interim community center home after Journey closes the Mendota site September 28, 2018. It is also my understanding that Kajsiab House members are working with Anesis to become their fiscal agent as soon as possible.

We will also work with them on transition planning for 2019.

Thank you for your continued support and efforts. Please let me know if you need any further information or assistance.

Jamie
