Applicant: Timothy Strait

Applicant's Comments: We purchased this home on 10/25/2018. In speaking with the Building Inspection Unit several times prior to the purchase, it was unclear whether or not the building could be salvaged. Upon entry and inspection and cleaning, it remains doubtful whether we will be able to "save" the home because of the state of disrepair and significant water damage caused by multiple holes in the roof. We would like to consider combining 1506 and 1502 N. Sherman into a single lot.

Staff Findings: A preservation file for this property does not exist.

2501 S Stoughton Road

Commercial building constructed in 1959.
