Hi,

We have a small cigar bar and will be having a DJ to provide background music on Saturday nights only. We are a lounge with multiple leather couches and a bar that seats 14 customers. There is no dance floor or dancing, and there has never in 21 years been a line. On Saturday we have 2 bartenders and a "floater" who acts as a bar back and all around helper. All staff is responsible for IDing individuals. On weekends, in a management position:
Gregory Hines DOE

Let me know if you need any further information. Thank you!
