Colin

Thank you for adding my comments to the packet.

I just went to my building at 34 Schroeder Court and looked at the intersection of Schroeder Court and Schroeder Road and I noticed that there are no crosswalks on either side (east and west) to cross to the south sidewalk by the Vitense golf course.

There also are no crosswalks to cross back to the north sidewalk to get to get to LaNopalera and Micheals Custard until you get to the intersection Schroeder Road and Whitney Way. That are is difficult for pedestrians as you are vicinity of the Eastbound Beltline exit onto Whitney Way. See attached pictures.

Thank you,

Tariq Akmut

Tariq,

I've added your written comments to the Plan Commission late handouts packet. The commissioners will receive these with other late comments before the meeting tonight.

Two service providers, The Road Home Dane County and The Dane County Veterans Service Office, have partnered with the developer. Some of the services will occur on site, but the providers have locations around the area. The Road Home Dane County is a service provider for

homeless families in Dane County. The Road Home provides programs and services that help families to move to stable housing as well as overcome barriers and gain skills needed to successfully maintain stable housing. The Dane County Veterans Service Office serves veterans of Dane County and their families. It advocates for veterans and helps veterans obtain local and federal benefits.

Colin:

Additionally, as part of this project; it is my understanding that services would be provided to the building tenants. Would these providers have offices on site and what type of services would be provided?

Thank you,

Colin:

Thank you for talking to me earlier today about the 5614 Schroeder Road project to replace the existing Babes Restaurant. I'm the building manager for 34 Schroeder Court. My concerns are related to access to Schroeder Court during the demolition and construction. And access along the north sidewalk along Babesri the east to LaNopalera and Michaels Custard for building tenants when they walk to get lunch. There should be signage directing people to safely cross Schroeder Road from Schroeder Court to the south sidewalk along Schroeder Road by the Vitense Mini Golf and Course.

Sincerely,

Facilities Manager
