Fiscal Note

The 2019 Adopted Budget approved transferring the City’s treasury function from a standalone agency to a service within the Finance Department. Under this newly approved structure, the duties previously performed by the City Treasurer will now be performed by the Finance Director through a newly created Treasury and Revenue Manager that will report to the Finance Director. There is no fiscal impact associated with this change.

Title

CHARTER Amending Section 3.055 of the Madison General Ordinances to transfer the functions of the City Treasurer to the Finance Director.

Body

DRAFTER'S ANALYSIS: This is a related ordinance to Legistar No. 54146, to transfer the functions of the City Treasurer to the Finance Director. A separate ordinance is needed because this section was adopted as a Charter Ordinance. By this ordinance, the remaining provisions of Sec. 3.055 will become a standard ordinance and will not require a Charter Ordinance for future amendment.

These changes are all to be effective July 1, 2019.

If adopted, the Charter provisions of this ordinance shall take effect 60 days from the date of passage and publication, subject to the referendum procedures of Wis. Stat. § 66.0101(5).

The Common Council of the City of Madison do hereby ordain as follows:

“3.055 CITY TREASURER.

- (1) The office of City Treasurer is hereby established to perform the duties of the Treasurer as provided in Wis. Stat. § 62.09(9). The Finance Director shall be the City Treasurer shall be appointed by the Mayor, subject to the approval of the Common Council and shall be a managerial employee within Sec. 3.54(9), MGO. The City Treasurer shall collect and account for all taxes, license monies, fees, accounts of charges due or owing to the City, shall be responsible for the collection, receiving, safekeeping, and accounting for all monies and securities of the City of Madison and attend to all related treasury affairs, and shall perform such other duties as are required by State law, City ordinance or the Mayor. The City Treasurer shall take an oath of office to perform faithfully and impartially the duties of the office and shall execute the bond required by Section 3.31(1), MGO.
(2) Whenever in state law or these ordinances reference is made to a duty or responsibility of the City Treasurer, it shall be read to mean the Finance Director.
(3) Sec. 3.055(1), MGO, was adopted as a Charter Ordinance. Therefore, this amendment is being adopted as a Charter Ordinance, but hereafter, this section

shall be treated as a standard ordinance.

This is a Charter Ordinance which requires adoption by two-thirds of all the members of the Common Council and which shall take effect sixty (60) days following passage and publication, subject, however, to the referendum provisions of Wis. Stat. § 66.0101(5).”
