

Urban Forestry Task Force- Work Scope

Prepared by: Jeremy Kane

Date: 3/5/19

The following outlines remaining substantive and procedural steps for the Urban Forestry Task in rough chronological order:

- 1) Review recommendations document
- 2) Create and review initial draft report
- 3) Replace and/or reappoint new alder representation – April 16th
- 4) Submit draft report to municipal boards for review, including but not limited to:
 - Board of Public Works
 - Board of Parks Commissioners
 - Plan Commission
 - Sustainable Madison Committee (possible)
 - Habitat Stewardship Subcommittee (possible)
- 5) Amend draft report as needed
- 6) Presentation of draft report in public information session
- 8) Prepare final report
- 9) Submit final report to Common Council
- 10) Enact programs, projects, and programs
