(2) Maintenance of existing lighting systems at Facilities. If lights at any of the City park facilities identified in Sections 1-4 (the "Facilities") require replacement during the term of the Agreement, City has the option to

replace lighting or transfer MSCR's game/event to a comparable baseball/softball diamond.

Weather may prevent or disrupt lining of fields. At Elver and Warner, MSCR may line the fields as well, as set forth below in Sec. 8.A.
- (10) Application of drying materials as necessary and appropriate as determined by Parks Division. MSCR may apply drying materials only at Elver and Warner as set forth below in Sec. 8.A.

The City will notify MSCR no later than 2:00 p.m. on the day of a scheduled game or event that the Facility cannot be ready for play due to rain or other circumstances beyond the City's control. Notification will consist of updating the City's rainout line, (608) 267-8787. MSCR is responsible for calling the rainout line to get a daily update. If the City has not cancelled the game by 2:00 p.m., the game can still be cancelled or stopped by MSCR, or a game or event official.

C. Upon request by MSCR, the City will provide to MSCR within forty-five (45) days of the end of the fall season, a detailed report of City expenses related to MSCR's use of City parkland for the season's adult softball and kickball programs.

 - D. Provide a listing of all additional adult leagues and programs to be offered in facilities managed by City of Madison Parks Division and pay associated fees.

 - G. MSCR must follow all park rules, including no driving on grass.
8. MSCR Discretionary Activities.

MSCR must use their own equipment for these purposes and the City will not provide equipment for these purposes. MSCR may not use any power tools. MSCR may apply drying materials at Elver and Warner, however MSCR must get approval from the Parks Division for the use of drying agents prior to the start of the season. If a field is damaged due to play or preparations caused by MSCR, MSCR games will not be reassigned to a different field.
 - B. Damage Arising from Discretionary Activities. If damage to a field occurs due to MSCR preparation under this Section, or playing on a field that would otherwise have been closed due to weather, MSCR is responsible for paying for the repairs. Future games will not be rescheduled to other fields while the repairs are conducted and repairs will be made on a timeline established by the City of Madison.
 - C. Shelters. MSCR may use large shelters in Parks for MSCR summer camps. Such use shall be charged a fee of \$50 per day and shall require advance reservations to avoid double bookings. MSCR will not occupy park shelters that they do not have reserved in a manner that prevents the City from renting the shelter to other users and providing daily maintenance/cleaning. MSCR may use large shelters free of charge when the use is for a program that 1) charges no fees; 2) is located in Neighborhood Resources Team areas or neighborhoods with similar demographics; 3) use of the shelter ends, shelter is cleaned up and shelter is vacated by 4 PM daily; and 4) MSCR has notified the City of the use so that the City can remove it from its available shelter inventory.
