Greetings Plan Commissioners

RE 8. 54839 2801 Atwood Avenue; 6th Ald. Dist.: Consideration of a conditional use in the Traditional Shopping Street (TSS) District to allow free-standing vending in the parking lot of an auto service station. Zoning Text Amendment

I held a neighborhood meeting last week with the applicants. Neighbors in attendance supported the request. The owners will operate the food cart with grab and go meals. They stated they contacted neighbors whose properties abut the food trucks and they were in support.

I support the conditional use permit.

Thank you-

Marsha
