RE: Approval of a demolition permit to demolish an existing two-unit residence and construct a new single-family residence at 525 Wingra Street (ID 54673; LNDUSE-2019-00012).

Dear Ms. Jackson;

At its March 25, 2019 meeting, the Plan Commission found the standards met and **approved** the demolition permit request to demolish an existing two-unit residence and construct a new single-family residence at **525 Wingra Street**. The conditions of approval in the following sections shall be satisfied prior to issuance of demolition permits for the project.

Please contact my office at (608) 243-0455 if you have any questions regarding the following one (1) item:

1. Label materials, colors, and heights on building elevations.

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have any questions regarding the following three (3) items:

2. Section 28.185(7)(a)5 requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Bryan Johnson (608-266-4682).
3. Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.
4. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission.

Please contact Brenda Stanley of the City Engineering Division at (608) 261-9127 if you have any questions regarding the following two (2) items:

5. Prior to approval, the owner or owner's representative shall obtain a permit to plug each existing sanitary sewer lateral that serves a building which is proposed for demolition. For each lateral to be plugged the owner shall complete a sewer lateral plugging application and pay the applicable permit fees. The permit application is available on line at <http://www.cityofmadison.com/engineering/permits.cfm>.
6. The plan set shall be revised to show more information on proposed drainage for the site. This shall be accomplished by using spot elevations and drainage arrows or through the use of proposed contours. It is

necessary to show the location of drainage leaving the site to the public right-of-way. It may be necessary to provide information off the site to fully meet this requirement.

Please contact Jeff Quamme of the City Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following two (2) items:

7. The final site plans shall include a copy of the property survey to be completed as noted on the current plan.
8. The address of the new single family house is 525 Wingra St. The site plan shall reflect a proper street address of the property as reflected by official City of Madison Assessor's and Engineering Division records.

Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following two (2) items:

9. Madison Fire Department recommends the installation of a residential fire sprinkler system in accordance with NFPA 13D. Additional information is available at the Home Fire Sprinkler Coalition website: <https://homefiresprinkler.org/building-residential-fire-sprinklers>
10. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Division Chief Tracy Burrus at tburrus@cityofmadison.com or (608)266- 5959.

Please contact Brad Hofmann of the Parks/Forestry Division at (608) 267-4908 if you have any questions regarding the following two (2) items:

11. An existing inventory of trees (location, species, & DBH) and any tree removal plans (in PDF format) shall be submitted to the plans and Brad Hofmann – bhofmann@cityofmadison.com or 266-4816. All proposed street tree removals within the right of way shall be reviewed by City Forestry. Approval and permitting of street tree removals shall be obtained from the City Forester and/or the Board of Public Works prior to the approval of the site plan.
12. City Forestry will issue a removal permit for a 19” Linden tree due to driveway installation. Please contact Brad Hofmann – bhofmann@cityofmadison.com or 266-4816 to obtain the street tree removal permit.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

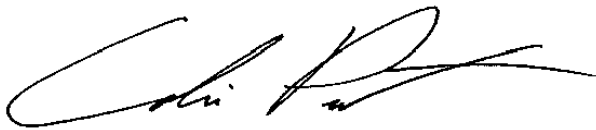

Please now follow the procedures listed below for obtaining permits for your project:

1. After the plans have been revised per the above conditions, please file **eight (8) sets** of complete, fully dimensioned, and to-scale plans, the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 126 S. Hamilton Street. **This submittal shall all also include one (1) complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.

2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
3. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to 24 months from the expiration date.
4. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
