Policy Statement

The City of Madison ensures that **no person shall on the grounds of race, color, sex, and national origin,** as provided by **Title VI of the Civil Rights Act of 1964** and the Civil Rights Restoration Act of 1987 (P.L. 100-259) be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity. Madison General Ordinance (M.G.O.) Sec. 39.02(8) (a) (b) also includes religion, age, marital status, and disability as protected classes regarding equal access to public services and the notification of the City of Madison's complaint process.

We are committed to provide equal opportunities in all programs, services, and activities to persons with Limited English Proficiency (LEP). Program access for LEP persons is covered in Title VI of the Civil Rights Act of 1964, which prohibits discrimination based on national origin; these protections are further affirmed in Executive Order 13166. Services include providing written translation and oral interpretation, free of cost, to LEP persons to ensure meaningful, accurate, and equal access to programs, benefits, and activities. We monitor the changing demographics and population trends on an annual basis to ensure awareness of the changing demographics and language needs in our service area. We discourage the use of family members or friends as an interpreter because this may violate the persons' privacy and disclose sensitive and confidential information. It is our policy to inform all LEP customer of the right to free language assistance and interpreter services at no cost to the LEP customer. Any person who believes he or she has been aggrieved by any unlawful discriminatory practice under Title VI of the Civil Rights Act of 1964 or equal access to public services may file a complaint with the Department of Civil Rights, Civil Rights.
