Subject: 8-10 (2801 Hickory Ridge Rd)

My vote is to oppose the new development for the following reasons. Traffic congestion. I find myself waiting 5 plus mins to make a left hand turn onto Raymond off of highpoint. Family safety. My family was trapped last year with the flooding. With a young child and one on the way the roadway is not suitable for for that volume. Also now there are cars driving at excessively dangerous speeds. With no information that provides that a proper study was completed this project needs to be stopped.
