Dear Tim Parks,

I, Nami Shin oppose this development.

Because High point South road is already too busy (this road is main road to access to get out from Ice Age Fall neighborhoods) and very unsafe. This is not just for the neighborhood and also the every passenger who uses this road for commuting.

And I lost my car by 2018 August flooding. I was on the corner of Raymond Rd and Marty Rd. It was really dangerous for whole neighborhood. This road needed for more than couple of days for open again. This was really big impact for the roads and whole neighborhoods.

I think we need the plan for better roads and sewer systems before development. This is why I oppose this development.

My address is
7717 Crawling Stone Rd. Madison, WI 53719
My phone number is [REDACTED]

I truly hope the better results.

Sincerely,
Nami Shin
