Greetings Grant-

Welcome to the city council-

I have a favor to ask-below is attached form LND-A A land use permit for the city of Madison.

We bought a home at 301 East Dean, Madison 53716

We are going to tear it down and rebuild new.

Part of the rather cumbersome process is a 30 day wait period to start the process

As the alder you have the ability to waive the 30 day requirement

We have until next Wed at noon to get the waiver-or we'll be well into July before we can get moving

I am intending to file a demolition application for the property at 301 East Dean, 53716

An email indicating that you will waive the 30 day period is all we need.

Thanks

Greg and Chris Percy
