Hi Steve

We purchased a home on East Dean and are planning on doing a demolition/rebuild) on the property

Currently a 50s ranch-soon to be a 2019 ranch

I met with the zoning folks downtown

They said I was required to notify the neighborhood assn.

Within the next few days or so I am intending to file a demolition application for

301 east dean
madison,wi
53716

Thanks
