Entertainment & Security Information

Realistically, there are two different scenarios that we anticipate hosting live entertainment. The first is a private reception (like a wedding) in which the people who've rented Garver Events licensed area would contract with a band or DJ to provide entertainment for their guests. The second would be an event that's sanctioned by Garver Feed Mill as an open house or in partnership with events at the neighboring Olbrich Gardens. In both scenarios, live entertainment is a complement to another event. The majority of the events where alcohol will be served are weddings and similar formal receptions - which are held in the Bar & Dining area on the first floor.

Garver Events does not anticipate the need to hire security based on the type of event and number of people in attendance. Our bar, dining and banquet staff will oversee the service areas.. For events other than banquet receptions we do not anticipate the event to populate all of the licensed area, but instead be limited to either the indoor Bar & Dining area and Patio or the Outdoor Courtyard.

In the event that Garver Events were to employ security, employees assigned to security/door functions will wear lanyards identifying these roles.

This venue has 23 exterior cameras monitoring outdoor spaces/parking lot. The lot surrounds the building and has easy access on both sides to the exit on Garver Green. We have included a parking map with this Liquor License portion of application. Garver Events does not anticipate the need to direct parking traffic based on the type of event and number of people in attendance.

Due to the capacity of the licensed area, the number of entrances, and the type of entertainment planned we do not anticipate guests forming a line. In the case that a line does form we will ask attendees to form a line single file on the side of the building they wish to enter.

Garver Events will comply with the identification requirements in Sec. 38.04(6) of Madison General Ordinance. Unruly patrons (including those who engage in aggressive behavior), intoxicated patrons & those patrons presenting false identification will be asked to leave & escorted off the premises. Our staff is trained to immediately call the Madison Police Department when any sort of physical altercation is started.

If the event is not a wedding or dinner banquet, but includes amplified music, we will not serve more than one beverage to an eligible patron in a transaction and will prohibit a patron from carrying more than one alcoholic beverage from a bar/drink dispensing location and use different style cups that are readily differentiated for alcoholic/non-alcoholic beverages.

Garver Events does not anticipate problems with noise as we are in a secluded location and our space with the largest estimated capacity is indoors. Garver Feed Mill grounds are maintained by Garver Feed Mill Master Tenant, LLC.
