Dear Mr. Percy;

At its June 10, 2019 meeting, the Plan Commission found the standards met and **approved** the demolition permit request to raze an existing single-family residence and construct a new single-family residence at **301 East Dean Avenue**. The conditions of approval in the following sections shall be satisfied prior to issuance of demolition permits for the project.

Please contact my office at (608) 243-0455 if you have any questions regarding the following one (1) item:

1. Label heights, materials, and colors on the elevation drawings.

Please contact Jacob Moskowitz, Assistant Zoning Administrator at (608) 266-4560 if you have any questions regarding the following three (3) items:

2. Section 28.185(7)(a)5 requires that if a demolition or removal permit is approved, it shall not be issued until the reuse and recycling plan is approved by the Recycling Coordinator, Bryan Johnson (608-266-4682).
3. A demolition or removal permit is valid for one (1) year from the date of the Plan Commission
4. Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(7)(a)5. shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition.

Please contact Brenda Stanley of the City Engineering Division at (608) 261-9127 if you have any questions regarding the following two (2) items:

As a consequence no entrance to the home shall be allowed below elevation 898.00 USGS datum. 6. This site is adjacent to proposed City of Madison Street Reconstruction #11432 currently scheduled for 2020. Contractor shall coordinate construction with proposed project.

Please contact Jeff Quamme of the City Engineering Division – Mapping Section at (608) 266-4097 if you have any questions regarding the following two (2) items:

7. Provide a site demolition plan labeling all structures and pavements to be demolished. Also provide a site plan showing the proposed pavements.
