RE: File# 56494 on the 06/26/19 ALRC Agenda
New License Small Change LLC
4102 Monona Drive

The Lake Edge Neighborhood Association was presented with a proposal and plans for a new tavern to be located in the Lake Edge Shopping Center. The working name for this place is "Small Change". Chad Vogel, Sean Pharr, and staff from the shopping center management firm, presented the proposal at our May 8, 2019 neighborhood meeting.

The plans and proposal were reviewed and discussed, by the association, and subsequently voted on. There were no objections to their proposal for this new tavern, as presented. On behalf of the Lake Edge Neighborhood Association (LENA), please consider this letter in support of this new business.

If you should have any questions, please contact us.

Sincerely,

Steve McCarthy
President
Lake Edge Neighborhood Association
