Dear Mr. Montelbano:

At its July 29, 2019 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your client's conditional use request to add a walk-up service window within ten (10) feet of the public right of way in the Downtown Core (DC) zoning district at **711 State Street**, subject to the conditions below. In order to receive final approval of the conditional use, and for any permits to be issued for your project, the following conditions shall be met:

1. The applicant shall submit for review an operations plan, this plan shall include a queuing model or plan.

**Please contact Jenny Kirchgatter, Assistant Zoning Administrator, at (608) 266-4429 if you have any questions regarding the following item:**

2. Signage approvals are not granted by the Plan Commission. Signage must be reviewed for compliance with Chapter 31 Sign Codes of the Madison General Ordinances and Chapter 33 Urban Design District ordinances. Signage permits are issued by the Zoning Section of the Department of Planning and Community and Economic Development.

**Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following item:**

3. Provide fire sprinkler coverage throughout the existing Entrance Lobby from the existing sprinkler system.

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.**

**Please now follow the procedures listed below for obtaining your conditional use:**

1. Please revise your plans per the above conditions and submit **seven (7) copies** of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 215 Martin Luther King Jr. Boulevard. **This submittal shall all also include one complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.
2. This property is not in a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.
