Subject: Writing in support of speed humps
Date: Wednesday, July 24, 2019 12:26:11 PM

Dear Mr. McGuigan,

I am a resident of Madison living at the corner of Spaight and Dickinson, and I am writing to express my support of keeping the plan for building three speed humps on Spaight. I am also a daily bus rider, and while I understand the concern about buses running late, I believe if the recommendation was for three speed humps, this is what should be implemented in order to keep residents safe.

Best,
Ellen Marks, PhD
