Madison, WI 53703

Dear City Planners:

Eric Welch and Jessica Wartenweiler came before the Marquette Neighborhood Association's (MNA) Preservation & Development Committee on July 9, 2019 with information regarding their renovation of the Trachte buildings at 828 E. Main St. as event rental space. The committee enthusiastically supported the project on a 17-4 vote with no opposition. Seventeen attendees supported the reuse of the Trachte buildings as well as the business plan. Four people abstained from voting.

This proposal then moved to the full MNA Board. At their July 15, 2019 meeting the Board unanimously supported the project as proposed with no concerns or restrictions.

The Marquette district welcomes this exciting project.

Thank You,

Lynn Lee
President, MNA
