Subject: Well Disconnection - 5817 Cottage Grove Road
Date: Monday, August 05, 2019 9:12:52 AM

Hi Colin,

As we approach our Plan Commission meeting date for the demolition of the houses located at 5781 and 5817 Cottage Grove Road, we wanted to provide an update confirming that the neighbor has already been able to disconnect from the well on the White House (5817) property and onto another neighbor's property.

Best regards,

-Eric

Robin,

Wanted to check in and see if you were able to get completely off the water?

We will be demo'ing the houses late August, early September and wanted to make sure you were good and off the Hovde well.

Let me know and thank you,

Vic
