Dear Lynn,

We have been in contact with Alder person Paul Skidmore regarding the duplex plans for 8549 Elderberry and 8557 Elderberry. Alder person Paul Skidmore has reviewed the plans and feel that they fit into the character of the surrounding neighborhood, and, therefore, has no objections to the plans as they stand. As a representative for the Junction Ridge Neighborhood Association, we are also forwarding the plans to you for your thoughts and comments, as well as for the thoughts and comments of the other members of the neighborhood association. Please feel free to call us on our cell at 608 213 0906, if you and/or any other members of the neighborhood association should have any

questions and thoughts regarding the duplex plans, which you would like to discuss with us. We look forward to speaking with you and the other members of the neighborhood association in the near future.

Sincerely,

Tien Q. Truong and James B. Hess
