### Background

City of Madison Planning staff have prepared a neighborhood plan for the West Mifflin/West Washington area. The plan includes historic preservation recommendations for the neighborhood (on page 14).

### Conclusion

The Landmarks Commission is invited to make comments and recommendations of the Mifflandia Plan to the Plan Commission. The Mifflandia Plan will be presented at several different boards, committees, and commissions. And Planning staff will be assembling all of those comments for review by the Plan Commission. The Plan Commission will likely review the project in October.
