Subject: Plan Commission Meeting Tonight

Hello,

I am unable to attend the plan commission meeting this evening but wanted to put in a comment. Not sure how to do so.

1) I support Edgewood's desire to expand their stadium. Stadiums and athletics are a normal part of living next to a school. If this wasn't a Catholic, private school, I don't think this issue would exist.

2) I support the demolition of 556 Chatham Terrace. There are other homes of this nature that look better in the area. This is an underutilized lot and space, and a new home would add a nice, new aesthetic to my neighborhood.

Thank you -
