RE: Land Use Application – Conditional Use
Lake Edge Shopping Center – Outdoor seating patio
4102 Monona Drive

Dear Commission members and Planning Staff:

On behalf of Galway Companies, Sketchworks Architecture, LLC is submitting this letter of intent and land use application for an outdoor seating patio to within a Neighborhood Mixed Use (NMX) zoning.

The project was discussed with Planning/Zoning on several occasions as early as July 1, 2019 where we discussed the preliminary concept with Christina Thiele. After some revision, the final proposal was reviewed by Matt Tucker on August 14, 2019.

Proposal Summary: The Lake Edge Shopping center is located on the corner of Monona Drive and Buckeye Road has multiple tenants which include a variety of uses including restaurants, retail and fitness.

The patio will be used by a new tenant 'Muskellounge and Sports Bar' in the former Elise's Family Restaurant located at 4102 Monona Drive. The exterior patio would be 16' x 18' (295 sf – 20 occupants) and be bordered by a black aluminum fence on three sides. The fourth side will be open to the covered sidewalk for patron access. The Bar is advertised to be open between 4pm-1am weekdays and between noon-1am on weekends. The patio will follow those same hours of operation.

Exiting site/building lighting will remain, with no additional lighting will be added. No amplified sound will be anticipated on the patio.

Zoning District:

The property is currently zoned NMX.
