Subject: 30 Nob Hill Rd Demolition - Reuse and Recycling Plan
Date: Monday, August 12, 2019 5:09:00 PM

Good Evening,

I am advancing an application for demolition of the existing neglected structure located at 30 Nob Hill Road in order to advance temporary fill and erosion control plans. I would like to discuss the requirements for the Reuse and Recycling Plan in order to understand what steps we will need to take to advance that initiative.

I appreciate any information that can be provided, and would be happy to set up a meeting or phone call to discuss further if easiest.

Thank you,
Mark
