Subject: Request for Extension of License Issuance - CocoVaa LLC
Date: Friday, June 7, 2019 3:53:11 PM

Dear Mr. Verbick:

Please accept this email as my request to extend the deadline for the issuance of my alcohol license pending the review and passing of the zoning ordinance that would allow the license to be issued for my classification of business.

Please let me know if there's anything else you need on my end.

Thank you much for keeping me informed about the status.
