

Prepared by: Jeremy Kane

Proposed UFTF Subcommittee Motion:

“The UFTF moves to form a subcommittee consisting of three existing UFTF members and two alternates for the purpose of: 1) prioritizing recommendations for initial enactment; 2) establishing an approximate 3 year plan for all recommendations; 3) estimating necessary resources with staff assistance. Once formed, the subcommittee will determine its own meeting dates, times, and locations. It will also notify all UFTF members of scheduled meetings as they are set. The term of the subcommittee will coincide with the term of the UFTF or disband in the event that the City Council forms another group for the same purpose or does not require any additional information regarding the recommendations. The resulting work of the subcommittee will be addressed and submitted to the City Council for consideration.”
