RE: File#57317 on the 10/14/19 Plan Commission Agenda
Conditional Use – 4102 Monona Drive

The Lake Edge Neighborhood Association was presented with a proposal and plans for the conditional use change for the restaurant to be located in the Lake Edge Shopping Center. I believe the name for this place is “MuskyLounge”.

The plans and proposal were reviewed and discussed, by the association, and subsequently voted on. There were no objections to their proposal for the outdoor seating. On behalf of the Lake Edge Neighborhood Association (LENA), please consider this letter in support of this conditional use change.

If you should have any questions, please contact us.

Sincerely,

Steve McCarthy
President
