Subject: Meadowlands Multifamily Proposal: Pending Notification

KCG Development is working towards a submittal for a new multi-family project north of Milwaukee Street & Wind Stone Drive. This area was previously approved for multi-family uses. We are working with Alder Hall to schedule a neighborhood meeting prior to submittal and are anticipating a submittal in February of next year.

We will share additional information on the exact timeline and Concept Plans with you as soon as possible.

Please feel free to contact me with any questions.

Thank you,

Brian Munson
