Re: King Street Arcade National Register of Historic Places nomination
107-113 King Street and 115-117 S Pinckney Street

Ms. Veregin,

The City of Madison Landmarks Commission is pleased to review, and enthusiastically support, the nomination to list the King Street Arcade in the National Register of Historic Places.

The nomination shows that the King Street Arcade is eligible for listing on the Wisconsin State Register and the National Register by being significant under Criterion C for its building typology as an arcade building in the Twentieth Century Commercial Style as designed by architect Henry Charles Huart, with a 1927 period of significance.

Thank you for the opportunity to provide comments.

Sincerely,

Anna Andrzejewski
Landmarks Commission Chairperson
