

Conditions requested by Tenney-Lapham Neighborhood Association (TLNA)

Meeting on October 10, 2019

The TLNA Council voted to submit the Salvation Army Steering Committee report, and requests that if the City approves the Salvation Army proposal, that the following list of conditions is included.

- Security plan that include on site security 7 days/week
- Lighting in any open areas on-site, and increased lighting on Mifflin, Blount, East Washington.
- Maintain a code of conduct agreement with each client that conditions access to facility on the client's behavior in facility and neighborhood
- Prohibit guns or weapons on site or in client's vehicles
- Prohibit illegal drug use on site or in client's vehicles
- Access to the facility is restricted to protect parking and other open areas
- A neighborhood engagement plan to work with TLNA and immediate neighbors
- Salvation Army employees to wear easy to identify uniforms and/or badges
- Establish an easy way to contact SA and make that contact information widely known and easy to find
- The property capture and retain all storm water on-site
- Roof space be used for green roof space, solar panels, or gardening
