Draft Timeline for Public Involvement Route 3 On-Time Performance Improvements

November 14, 2019

Metro Transit will be presenting options for improving the on time performance of Route 3 as part of the March 25, 2020 public hearing for the annual service changes in August 2020. The proposed revisions are significant enough to require an extensive public outreach process with various neighborhood groups and stakeholders before the public hearing.

The schedule for the public involvement process will be as follows:

November 2019	
December 2019	- Meet with neighborhood groups - Coordinate with Tariq Saqqaf for Outreach to Owl Creek residents
January 2020	- Prepare public info materials
February 2020	Request Public Hearing February 26, 2020
March 2020	- Gather additional input
	Hold Public Hearing March 25, 2020
