Article I

The Developer shall take affirmative action in accordance with the provisions of this contract to insure that applicants are employed, and that employees are treated during employment without regard to race, religion, color, age, marital status, disability, sex, sexual orientation, gender identity, or national origin and that the employer shall provide harassment-free work environment for the realization of the potential of each employee. Such action shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation and selection for training including apprenticeship insofar as it is within the control of the Developer. The Developer agrees to post in conspicuous places available to employees and applicants notices to be provided by the City setting out the provisions of the nondiscrimination clauses in this contract.

Article II

The Developer shall in all solicitations or advertisements for employees placed by or on behalf of the Developer state that all qualified or qualifiable applicants will be employed without regard to race, religion, color, age, marital status, disability, sex, sexual orientation, gender identity, or national origin.

Article III

The Developer shall send to each labor union or representative of workers with which it has a collective bargaining Agreement or other contract or understanding a notice to be provided by the City advising the labor union or workers representative of the Developer's equal employment opportunity and affirmative action commitments. Such notices shall be posted in conspicuous places available to employees and applicants for employment.

Article IV

(This article applies only to non-public works contracts.)

The Developer agrees that it will comply with all provisions of the Affirmative Action Ordinance of the City of Madison including the contract compliance requirements. The Developer warrants and certifies that one of the following paragraphs is true (check one):

—

- A. It has prepared and has on file an affirmative action plan that meets the format requirements of Federal Revised Order No. 4, 41 CFR part 60-2, as established by 43 CFR 51400 November 3, 1978, including appendices required by City of Madison ordinances or it has prepared and has on file a model affirmative action plan approved by the Madison Common Council.

- B. Within thirty (30) days after the effective date of this contract, it will complete an affirmative action plan that meets the format requirements of Federal Revised Order No. 4, 41 CFR Part 60-2, as established by 43 CFR 51400, November 3, 1978, including appendices required by City of Madison ordinance or within thirty (30) days after the effective date of this contract, it will complete a model affirmative action plan approved by the Madison Common Council.

- C. Contractor believes it is exempt from filing an affirmative action plan because it has fewer than fifteen (15) employees and has filed, or will file within thirty (30) days after the effective date of this Contract, a form required by the City to confirm exempt status based on number of employees. If the City determines that Contractor is not exempt, the Articles of Agreement will apply.*

- D. Contractor believes it is exempt from filing an affirmative action plan because its annual aggregate business with the City for the calendar year in which the contract takes effect is less than fifty thousand dollars (\$50,000), or for another reason listed in MGO 39.02(9)(a)2. If the City determines that Contractor is not exempt, the Articles of Agreement will apply.*

** Options C and D under Article IV are not available to the Developer under this Agreement.*

Article V

(This article is not applicable)

Article VI

The Developer will maintain records as required by Section 39.02 (9)(f) of the Madison General Ordinances and will provide the City's Department of Affirmative Action with access to such records and to persons who have relevant and necessary information, as provided in Section 39.02(9)(f). The City agrees to keep all such records confidential, except to the extent that public inspection is required by law.

Article VII

In the event of the Developer's or subcontractor's failure to comply with the Equal Employment Opportunity and Affirmative Action Provisions of this contract or Sections 39.02 and 39.03 of the Madison General Ordinances, it is agreed that the City at its option may do any or all of the following:

1. Cancel, terminate or suspend this contract in whole or in part.
2. Declare the Developer ineligible for further City contracts until the Affirmative Action requirements are met.
3. Recover on behalf of the City from the prime Developer 0.5 percent of the contract award price for each week that such party fails or refuses to comply, in the nature of liquidated damages, but not to exceed a total of five percent (5%) of the contract price, or ten thousand dollars (\$10,000), whichever is less. Under public works contracts, if a subcontractor is in noncompliance, the City may recover liquidated damages from the prime Developer in the manner described above. The preceding sentence shall not be

construed to prohibit a prime Developer from recovering the amount of such damage from the noncomplying subcontractor.

Article VIII

(This article is not applicable)

Article IX

The Developer shall allow the maximum feasible opportunity to small business enterprises to compete for any subcontracts entered into pursuant to this contract. (In federally funded contracts the terms "DBE, MBE and WBE" shall be substituted for the term "small business" in this article.)

(a) Targeted Business Enterprise (TBE) shall mean any businesses certified by the Department of Civil Rights in one of the following categories: Section 3 enterprise, small business enterprise, minority business enterprise, women business enterprise, or disadvantaged business enterprise, as those terms are defined in MGO 39.02(9)(a)(9)-(12).

- (8) Contacting TBEs in advance of the deadline to allow such businesses sufficient time to prepare a bid.

(9) Utilizing the bid of a qualified and competent TBE when the bid of such a business is deemed reasonable (i.e., 5% above the lowest bidder), although not necessarily low.

(10) Contacting TBEs which submit a bid, to inquire about the details of the bid and confirm that the scope of work was interpreted as intended.

(c) Goal shall mean the percentage of the total value of construction of the Private Development contracted to TBE's set by DCR based on a schedule of values provided by Developer. Should the Developer meet the Goal, then the Developer shall be deemed to be in compliance with Section 6.5. For clarity, in the event that the Goal is not met, then compliance with Section 6.6(b) will be reviewed.

REPRESENTATIONS AND WARRANTIES

Section 8.1. Representations and Warranties by the City. The City represents and warrants that:

(a) The City is a municipal corporation duly organized and existing under the laws of the State of Wisconsin. The City has the power to enter into this Agreement and carry out its obligations hereunder and provision has been made to pay the liability that will accrue under this Agreement.

(b) The City has no knowledge as to the presence of hazardous substances as the same are described in the regulations promulgated under the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended by the Superfund Amendments and Reauthorization Act of 1986, and/or in the environmental laws of the State of Wisconsin in, on or under the Project Parcel. With respect to the Parking Ramp, the City of Madison is aware of no facts the existence of which would cause it to be in violation of any state, local or federal environmental law, regulation or review procedure, or which would give any person a valid claim under the environmental laws of the State.

(c) The City has no knowledge of any defects or deficiencies in the design or construction of the Podium.

(d) There is not pending, nor to the best of the City's knowledge after due inquiry is there threatened, any suit, action or proceeding against the City before any court, arbitrator, administrative agency or other governmental authority that materially and adversely affects the

validity of any of the transactions contemplated hereby, the ability of the City to perform its obligations hereunder, or the validity or enforceability of this Agreement.

Section 8.2. Representations and Warranties by the Developer. Developer respectively represents and warrants that:

(a) As of the Effective Date, Developer:

(1) is a limited liability corporation organized and validly existing under the laws of the State of Wisconsin.

(2) has duly authorized the execution of this Agreement and the performance of its obligations hereunder, and neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement, is prevented, limited by or conflicts with or results in a breach of, any indebtedness, agreement or instrument of whatever nature to which Developer is now a party or by which it is bound, or constitutes a default under any of the foregoing.

(3) There are no pending or threatened legal proceedings of which Developer has knowledge which seek to restrain or enjoin the transactions contemplated by this Agreement or which question the authority of Developer to execute and deliver this Agreement or the validity of this Agreement.

(b) Developer has confirmed that the Parking Ramp does not require any modifications to provide additional structural support for the Private Development. In the event any modification is required, that cost shall be borne by Developer.

ARTICLE IX

EVENTS OF DEFAULT

Section 9.1. Notice and Opportunity to Cure. Whenever any party to this Agreement alleges a default by the other, the party alleging the default shall provide written notice to the other specifying the nature of the default and the actions necessary to cure the default. Subject to reasonable unavoidable delays, if the alleged default is not cured within thirty (30) days after the defaulting party's receipt of such notice, the non-defaulting party may take any one or more of the actions set forth below:

(a) The non-defaulting party may suspend its performance under this Agreement until it receives assurances from the defaulting party that the defaulting party will cure its default and continue its performance under this Agreement.

(b) The non-defaulting party may cancel and terminate this Agreement.

(c) Take whatever action, including legal, equitable or administrative action, which may appear necessary or desirable to the non-defaulting party, including any actions to collect any payments due under this Agreement or to pursue any claims for monetary damages at law or

to enforce performance and observance of any obligation, agreement, or covenant by the defaulting party under this Agreement.

The non-defaulting party may elect to take no such action, notwithstanding an event of default not having been cured within said thirty (30) day period. No notice of such election by the non-defaulting party shall be required.

Section 9.2. No Remedy Exclusive. No remedy hereunder is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right accruing upon any default shall impair any such right or shall be construed to be a waiver thereof, but any such right may be exercised from time to time and as often as may be deemed expedient.

Section 9.3. No Implied Waiver. In the event any provision contained herein should be breached by any party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed a waiver of any rights or remedies which the non-breaching party shall have and shall not be deemed a waiver of any subsequent default of any such terms, conditions and covenants to be performed hereunder.

Section 9.4. Duty to Provide Information. Each party shall have the obligation to communicate information upon the reasonable request of the other party where the information can reasonably be deemed necessary to ensure performance under this Agreement. Failure to comply with this section may be deemed a default under this Article IX. This section shall not apply to communications that are subject to attorney-client privilege or any other recognized privilege under the law.

Upon termination of this Agreement pursuant to this Article XI, this Agreement shall be null and void and, except for obligations that expressly survive termination, and no parties shall have any further obligations or liabilities hereunder. Upon such termination the Developer and the City shall deliver to each other such documents as may be necessary to evidence the termination of this Agreement.

Section 11.4. Authority. Each of the undersigned individuals signing this Agreement represent and warrant that they have the power and authority to sign this Agreement on behalf of the entity they represent.

EXHIBIT B

PODIUM PURCHASE AGREEMENT

1. Property. Block 88, LLC (the “Buyer”) shall purchase, and the City of Madison (the “Seller”) shall sell and convey by Warranty Deed (the “Deed”), Seller’s right, title and interest in and to: (a) the above grade parking component comprising one hundred forty-eight (148) parking stalls; and (b) a retail component comprised of approximately eight thousand (8,000) square feet of space, common areas, stairs, exits, trash room, and other areas on the ground floor of the parking garage constructed on the Real Property, as shown on Exhibit A; and (c) air rights from the top of the above grade parking ramp as high as legally permitted (collectively, the “Property”), all of which are located on the real property described on Exhibit B (the “Real Property”). For purposes of clarification, the Property does not include the bike center and storage area on the ground floor of the parking garage, which are being retained by Seller.
2. Effective Date. The “Effective Date” shall be the later date of execution of the Agreement by the Seller or the Buyer, as indicated on the signature page.
3. Purchase Price. Subject to the adjustments and prorations described in this Agreement, the total purchase price to be paid by Buyer to Seller for the Property is Six Million and no/100 Dollars (\$6,000,000.00) (the “Purchase Price”), with Five Million and no/100 Dollars paid at Closing. No later than fifteen years after the date that a final certificate of occupancy is obtained for the Apartment Building, Buyer shall make the final payment of the purchase price to Seller, in the amount of One Million Dollars (\$1,000,000).
4. Earnest Money. Within seven (7) days after the Effective Date, the sum of Twenty-Five Thousand Dollars (\$25,000) (the “Earnest Money”), in the form of Buyer’s check, shall be deposited with the Title Company as earnest money to be applied against the total Purchase Price on the Closing Date. If the purchase and sale under this Agreement fails to close due to the failure of any contingency due to Seller’s default, Buyer shall be entitled to a refund of all earnest money (except for the Termination Fee of \$100). If, however, such purchase and sale fails to close after all of the contingencies due to Buyer’s default, then Seller shall retain the earnest money as liquidated damages and Buyer shall have no further obligations or liabilities relating to this Agreement.
5. Due Diligence. Buyer will have one hundred twenty (120) days after the Effective Date (the “Due Diligence Deadline”) within which to conduct such due diligence activities as Buyer deems necessary to satisfy itself that the development is feasible and the Property can be used for Buyer’s Intended Use, including but not limited to performing an architectural, engineering, construction, and environmental review of the Property that is satisfactory to Buyer and Buyer’s engineers, architects, lenders, environmental consultants, and attorneys. Such review may include, but is not limited to, the right to conduct any desired tests and inspections of the Property. Buyer and its agents and representatives shall have the right to enter upon the Property to perform any and all inspections or testing of the Property, however, Buyer shall provide Seller with at least forty-eight (48) hours notice of entry onto the Property. Buyer shall repair at its cost any

damage to the Property caused by the testing conducted by Buyer or its agents or representatives, and shall indemnify and hold Seller harmless from and against any damages that Buyer or its agents or representatives caused to the person or property of third parties during the course of inspections or tests permitted under this Agreement. If such review discloses any evidence of any condition that is not satisfactory to Buyer, Buyer shall have the option of: (a) declaring this Agreement null and void, in which case neither party shall have any further rights or duties to each other hereunder, or (b) giving Seller a period of sixty (60) days to cure such conditions.

Buyer will have until the expiration of the Due Diligence Deadline to obtain or review a survey of the Property and/or Real Property prepared by a registered Wisconsin land surveyor. The survey shall show sufficient information and detail to permit the Title Company to eliminate its standard survey exception from the title insurance policy. Buyer shall notify Seller in writing of any objection to the state of facts revealed by such survey. Seller shall have thirty (30) days following receipt of such objection to cure such objection.

6. Buyer Contingencies. If the Buyer timely terminates the Agreement as a result of any of the Buyer's contingencies, the Earnest Money shall be promptly refunded to the Buyer. In addition to the Due Diligence contingency above, Buyer shall have the following contingencies:
 - a. Land Use Approvals. Buyer will have One Hundred Eighty (180) days after the Effective Date (the "Approvals Deadline") to receive all Municipal development and zoning approvals that Buyer deems necessary at Buyer's sole discretion to allow Buyer's Intended Use at the Property, including without limitation, obtaining any design, zoning approvals and utility agreements needed, with terms acceptable to Buyer.
 - b. Project Financing. Buyer will have One Hundred Eighty (180) days after the Effective Date (the "Financing Deadline") within which to receive all confirmations, awards, and approvals from lenders that Buyer deems necessary, at Buyer's sole discretion to allow Buyer to develop and construct the Property for its Intended Use, including but not limited to any approvals needed for loans from the Wisconsin Housing and Economic Development Authority.
 - c. Condominium Documents. During the Due Diligence period, the parties shall work diligently and in good faith to agree upon a Declaration of Condominium and Plat (together, the "Condominium Documents") that are acceptable to both parties, which at a minimum must: (a) satisfy the legal requirements necessary for the creation of a condominium; (b) provide for separate condominium units for the Property (which may, at Buyer's sole discretion, include the Apartment Building) and the below grade parking on the Real Property (that is being retained by the City); (c) require each party to pay its own costs for maintenance and repairs of its unit; (d) identify all common areas and allocate the costs and responsibilities for each such area; (e) identify any easements or licenses to be granted; and (f) provide no voting rights on

any issue that effects only an individual owner's unit. The Buyer shall submit an initial draft of the Condominium Documents to the Seller's attorneys no more than sixty (60) days after the Effective Date, with comments to be received back from Seller no more than twenty (20) days thereafter.

The Buyer's Contingency Period may be extended upon written agreement of the parties.

7. Title Insurance. No later than fifteen (15) days after the Effective Date, Seller shall furnish and deliver to Buyer for examination an ALTA commitment for marketable title insurance on the Property issued by a responsible title insurance company, licensed by the State of Wisconsin, committing said title insurance company to issue title insurance to the Property by an owner's standard form ALTA policy (Form B) in the amount of the full Purchase Price, showing all liens, encumbrances and other matters of record, together with legible copies of all documents that appear as exceptions to title. Buyer shall have until the end of the Due Diligence Period to deliver to Seller written notice of objection to the condition of title. If Buyer fails to timely deliver such notice, then Buyer shall be deemed to have approved of the condition of title as shown by such commitment. Exceptions to title approved by Buyer hereunder shall be deemed to be Permitted Exceptions. If, within thirty (30) days following delivery of Buyer's notice of objection, Seller is unable to cure such defects, Buyer shall have the option either to:

- (a) Terminate this Agreement, in which case this Agreement shall be null and void, and Buyer shall be entitled to the expeditious return of its earnest money; or
- (b) Waive any defects of title and perform pursuant to the terms of this Agreement, notwithstanding any defects in title.

Buyer shall have the right to obtain an updated title commitment prior to Closing. If the updated title commitment shows any additional exceptions to title (other than the Permitted Exceptions), Buyer may provide Seller with written notice of objection to the condition of title prior to Closing, and Seller shall cure such defect within five (5) days of receiving written notice (and the Closing Date shall be extended by the same) or else Buyer may terminate the Agreement and receive a full refund of its earnest money.

All costs of providing such title commitment, and of issuing the title policy pursuant to such commitment, shall be borne by Seller and shall be paid at or before Closing. Seller shall provide a gap endorsement to the title policy, at Seller's expense. Buyer may obtain any other endorsements to the title policy, at Buyer's expense, and Seller agrees to cooperate in providing any information or documents reasonably required by the title company to obtain such endorsements.

8. Closing.
- a. The Closing shall take place at the Title Company within sixty (60) days after the satisfaction or waiver of the Financing Deadline or Approvals Deadline, whichever is later. Notwithstanding the foregoing, Buyer shall have the right, with

approval from the Seller but which approval is solely subject to establishing that Buyer is complying with the terms of this Agreement in good faith, to extend the Closing date by additional periods of up to sixty (60) days each by giving written notice of such extension to Seller, provided however, that Closing shall occur no later than December 31, 2020. Such closing date is referred to herein as the "Closing Date."

At least ten (10) business days prior to the Closing Date, the Seller shall cause the Condominium Documents (in their final approved form) to be fully executed and submitted for recording to the Dane County Register of Deeds.

- c. The Buyer shall pay all recording/filing fees except that the Seller shall pay the recording/filing fees for such documents as are required to be recorded/filed in order to cause title to the Property to be in the condition called for by the Agreement.
- d. All real estate taxes with respect to the Property shall be prorated between the Buyer and the Seller as of the date of Closing based upon the latest known assessment and latest known mil rate.
- e. The Seller shall be responsible for any and all special assessments, area assessments, interceptor charges or any other charges payable to any municipality or utility with regard to the Property for any work commenced as of the date of Closing.

9. Survival of Warranties and Representations Indemnification. Any warranty, representation or agreement herein contained shall survive the Closing, and Seller shall indemnify Buyer from and against any and all costs, expenses, liabilities and damages, including attorney's fees, arising out of the breach of any such warranty, representation or agreement by Seller.

EXHIBIT C

FORM OF GUARANTY

THIS CORPORATE GUARANTY is made as of this ____ day of _____ 20__, by Stone House Development, Inc. (the “Guarantor”) pursuant to the terms of that certain Purchase and Sale Agreement entered between Block 88, LLC, a Wisconsin limited liability company (“Buyer”) and the City of Madison, a Wisconsin municipal corporation (“Seller”) on ____ (the “Purchase and Sale Agreement” or “Agreement”).

All defined terms shall have the meaning given to them in the Agreement unless otherwise defined herein.

WITNESSETH:

Buyer, has or will receive from the Seller a zero interest payment deferral of One Million Dollars (\$1,000,000) (the “Deferred Payment”). In connection with the Deferred Payment, Buyer has executed, made and delivered a Note payable to the order of the Seller (collectively, the “Note”). This Note, all renewals, extensions, refinances or modifications thereof, and any substitute Notes are referred to herein as the “Note”. Based on sound business judgment, Guarantor deems it in Guarantor’s best interest to execute and deliver to the Seller the Guaranty because, among other considerations, Guarantor is an affiliate of Buyer, and Guarantor expects to derive valuable benefits as a result of the Loan.

NOW, THEREFORE, in consideration of the above and other valuable consideration, receipt and sufficiency of which are acknowledged, Guarantor agrees as follows:

Section 1. Nature of Guaranty. This is a guaranty of payment. Guarantor unconditionally and irrevocably guarantees to the Seller the full, prompt and unconditional payment, when due, of the Deferred Payment, and any and all reasonable attorneys’ fees, costs and expenses paid or incurred by the Seller in connection with enforcing its rights under this Guaranty, regardless of whether such collection is from Buyer or Guarantor.

Section 2. Guarantor’s Liability. Guarantor’s liability shall be effective immediately upon any default by Buyer in the payment of the Deferred Payment, following all applicable notice and cure periods.

Section 4. Waiver by Guarantor. The Guarantor waives:

- (a) notice of acceptance of this Guaranty by the Seller;
- (b) notice of presentment, demand for payment, notice of default or nonpayment, protest and notice of dishonor of any of the Obligations;
- (c) notice of any payment to the Seller of the Deferred Payment; and
- (d) all other demands and notices of every kind in connection with this Guaranty or the Deferred Payment.

Section 5. Unconditional Payment. If any payment received by the Seller hereunder shall be deemed by a court of competent jurisdiction to have been a voidable preference under any bankruptcy, insolvency, or other debtor relief law, then the obligation to make such payment shall survive any cancellation or satisfaction of the Note and shall not be discharged or satisfied with any prior payment thereof or cancellation of the Note, but shall remain a valid and binding obligation enforceable in accordance with the terms and provisions hereof, and such payment shall be immediately due and payable. While the Deferred Payment is outstanding, Guarantor agrees not to assert against Buyer any right or claim to indemnification, reimbursement, contribution or payment for or with respect to any and all amounts which Guarantor may pay to the Seller.

Section 6. No Impairment. Guarantor further agrees that the validity of this Guaranty and liability of Guarantor hereunder shall not be affected or impaired by any act of the Seller, including, but not limited to, the Seller's:

- (a) extension, in whole or in part, by renewal or otherwise, of the time for the payment of the Deferred Payment or the performance of any term or condition of any transaction in connection with the Deferred Payment;
- (b) release, surrender, exchange, modification, impairment or extension of the period of duration, or the time for performance or payment, or any collateral securing the Deferred Payment;
- (c) settlement, compromise, release, surrender, modification or impairment and enforcement and exercise, or failure to or refusal to enforce or exercise, any claims, rights, or remedies of any kind and nature against the Buyer, or any other party presently or hereafter liable for the Deferred Payment; and
- (d) subordination of the Deferred Payment, or any part, to any other indebtedness now or hereafter owing by the Buyer to anyone.

Section 7. Guarantor's Representations. Guarantor hereby represents, warrants and agrees, that to its knowledge:

- (a) no event has occurred, nor will any event occur upon the making and execution of this Guaranty or the compliance with its terms, or upon the consummation of the transaction herein contemplated, which either by itself or with the lapse of time, or the giving of notice or both, would give any creditor of Guarantor the right to accelerate the maturity of any indebtedness of the Guarantor, which would materially adversely affect Guarantor's ability to perform its obligations under this Guaranty;
- (b) Guarantor is not in default nor does Guarantor anticipate default under any lease, agreement or instrument, or any law, rule, regulation, order, writ, injunction, decree, determination or award, noncompliance with which would materially adversely affect Guarantor's ability to perform its obligations under this Guaranty;
- (c) Guarantor has no outstanding unpaid tax liabilities (except for taxes which are currently accruing, but are not delinquent), and no tax deficiencies have been proposed or assessed against the Guarantor;
- (d) Guarantor is not a party to any litigation or administrative proceeding, nor is Guarantor aware of any threatened litigation or administrative proceeding which in either case

would, if adversely determined, cause any material adverse change in Guarantor's ability to perform its obligations under this Agreement;

- (e) no information, exhibit or report furnished by the Guarantor to the Seller in connection with the negotiation or execution of the Note or Guaranty contained any material misstatement of fact as of the date when made, or omitted to state a material fact or any fact necessary to make the statements contained therein not misleading as of the date when made.

Section 8. Acknowledgements by Guarantor. Guarantor acknowledges and agrees that the Seller has not made any representations or warranties with respect to the enforceability of the Note against Buyer, or as to Buyer's financial condition. Guarantor hereby acknowledges having received and reviewed a true copy of the Note. Guarantor further acknowledges and agrees that Guarantor has independently determined the financial condition of Buyer.

Section 9. Guarantor's Additional Covenants. Guarantor covenants that so long as the Deferred Payment remains outstanding and unless otherwise waived or consented to in writing by the Seller, the Guarantor shall:

- (a) promptly notify the Seller of the occurrence of any event which would create a material adverse change in the Guarantor's assets or financial condition; and
- (b) pay and discharge, when due, all of Guarantor's taxes, assessments and other liabilities, except when the payment thereof is being contested in good faith by appropriate legal procedures which will avoid foreclosure of liens securing such items, and with adequate reserves provided therefor.

Section 10. Modification. No modification of any provision of this Guaranty will be binding upon the Seller except as expressly set forth in a writing duly signed by and delivered on behalf of the Seller.

Section 11. Time is of the Essence. Time is of the essence with respect to all payment provisions of this Guaranty.

Section 12. Binding Effect. This Guaranty benefits the Seller, its successors and assigns, and binds Guarantor, his or her personal representatives, as applicable.

Section 13. Severability. In the event any provision of this Guaranty is determined by a court of competent jurisdiction to be prohibited or unenforceable in any jurisdiction, this Guaranty and such provision shall be ineffective only to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Guaranty, which shall remain in full force and effect.

Section 14. Governing Law. This Guaranty shall be interpreted, construed, and enforced according to the laws of the State of Wisconsin.
