Map showing prototype sub-districts in Third Lake Ridge Historic District
dvm, 11-22-19

The above map appeared on page 31 of the 2004 BUILD II report and shows what the BUILD II authors called “zones.” For the district-specific prototype, we decided to call them “sub-districts.”

Subdistrict designation Prototype ordinance	Zone designation BUILD II	Max height allows	Color designation
1	I	2 ½	Green
2	Ia	4	Yellow
3	II	3	Blue
4	IV	5	Red

The above table shows how subdistricts in the prototype ordinance relate to the BUILD II zones.
