Subject: Public Hearing Notice

Dear Ms. Anderson:

Your safety and electric service reliability are important to us. Madison Gas and Electric Company (MGE) is upgrading or modifying facilities for the Cottage Grove Road reconstruction project. As a National Arbor Day Foundation, "Tree Line USA Utility," we are concerned about the health and appearance of trees in your neighborhood.

### **MGE Proposed Tree Pruning or Removal in the Right-of-Way**

- **6420 Cottage Grove Road - 4 tree removals**

Trees are located along the north side of Cottage Grove Road, west of Sprecher Road.

Pursuant of Madison General Ordinance MG0.10.101 "*Regulation of Tree Trimming, Pruning and Removal within the Public Right-of-Way of Any Street, Alley or Highway*," a public hearing has been scheduled for:

**City of Madison Habitat Stewardship Subcommittee Meeting  
February 11, 2020, 4:35 p.m.  
Goodman Maintenance Facility  
1402 Wingra Creek Parkway, Madison**

The subcommittee will take public comment on the proposed impacts of MGE's Vegetation Management plans. If you have concerns, you may appear before the subcommittee at that time.

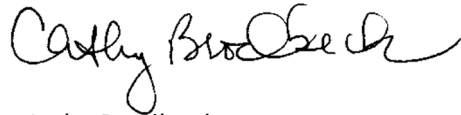

Ms. Rebecca Anderson
