Madylen Leopold

Alder Heck, Eric Knepp, Madylen Leopold,

On January, 9 2020, the TLNA Council voted unanimously to support a permanent alcohol ban at Reynolds Field. As you may recall, there was a temporary alcohol ban in 2018 and 2019, and neighbors felt that it contributed to a positive and quieter atmosphere at the park. The feedback from neighbors and residents was that the temporary ban put in place this fall was helpful. We respectfully request that such a ban be brought to the common council

Thank you,

TLNA President

Jonny Hunter
