Madison Night Market

Public Overview

1/28/20 - TK

Madison Night Market is a celebration of Madison's unique and inspiring creative culture.

Vendors showcase handmade products, local art, artisan gifts, prepackaged foods and fresh produce. The event includes live music, artists, special visiting food carts and pop-up restaurant experiences. The Market is presented by Madison's Central Business Improvement District (BID) in partnership with the City of Madison. Partnerships with area arts and cultural organizations ensure this event is a city-wide representation of this community's talent.

Businesses within the BID will be encouraged to participate at the Night Market or in their own place of business with a special event or attraction that evening like a trunk show, sample sale, visiting artist, etc. A monthly print guide and a website cross promote these specials.

The Market, located along State Street in the heart of downtown Madison is held the second Thursday of the months of May, June and August, September in 2020. From 6pm – 10pm everyone is invited to come celebrate all things Madison. www.madisonnightmarket.com

General Notes

- In 2020 the event will expand to include all of State Street.
- 7 10,000 people attend each market.
- This idea comes strongly recommended from the Downtown Retail Study accepted in 2017 by the Madison Common Council.
- This event is designed to draw in more interest to the district, with a focus on shopping.
- Vendor pricing favors businesses already in the district, vendors who supply downtown retailers and unique specialty artisans.
- Food carts and trucks will be added but will compliment not take away from restaurant business in the district.
