Safety and Security plan

10 MCM staff and 20 event volunteers will be on site during the event to ensure safety and security of participants and others. MCM has established safety and security procedures for public events, including use of two-way radios for communication and on-site staff certified in First Aid and CPR.

Severe Weather: in the event of inclement weather, outdoor activities will be relocated inside the museum to the extent possible (or cancelled if not feasible to move indoors). In the event of a sudden weather emergency, attendees will be directed to move inside the museum, which has public entrances on both sides of the building and will be free to the public all day. Should severe weather arise during the parade portion of the event, participants will be directed to the nearest Capitol building entrance. Motor vehicles will be advised to pull over/stop if needed for safety, and then proceed back to the museum parking lot using standard traffic routes.

First Aid emergencies: MCM staff certified in First Aid and CPR will be accompanying each section of the parade. First Aid kits for the event will be located in the museum van (parade vehicle), the event information tent (MCM parking lot), and at the museum's front desk. In addition, Madison Fire Department may be participating in the parade with a vehicle.

Emergency communication: during the parade, MCM staff will be accompanying the parade on foot and will be in communication via two-way radio and cell phone with one another, the museum front desk, and vehicle drivers. The museum's emergency PA system has both interior and exterior speakers, and any emergency announcements/alarms can be heard in the block surrounding the museum.

Recycling plan

MCM will add trash and receptacles to existing city receptacles as needed. MCM has trash and recycling dumpsters on site.

EMERGENCY ACTION PLAN (EAP)

I. GENERAL

The "SummerPalooza" will be held June 13, 2020 at Madison Children's Museum, Rotary Plaza, Capitol Square.

II. PURPOSE

- A. This emergency action plan predetermines actions to take before and during the "SummerPalooza" (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition. These actions will be taken by organizers, management, personnel, and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.
- B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

III. ASSUMPTIONS

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

IV. BASIC PLAN

A. Emergency Action Plan (EAP) Event Representative

- 1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as PRIMARY CONTACT: Kia Karlen.

B. Emergency Notification

- 1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.
- 2. We ☐ will / ☒ will not have on-site EMS (ENTER CONTACT NAME & CELL PHONE NUMBER)
- 3. We ☒ will / ☐ will not have on-site Police or Security (MPD Police Escort for Parade portion)

C. Severe Weather

- 1. Weather forecasts and current conditions can be monitored through the [National Weather Service's Madison Weather Forecast website](#).
- 2. Before the event - If severe weather is predicted prior to the event, the EAP event representative will evaluate the conditions and determine if the event will remain scheduled. The EAP event representative or his/her designee will be identified as such Matt Shutler and will be responsible to monitor the weather conditions before and during the event.
- 3. During the event - If severe weather occurs during the event, the EAP event representative or his/her designee Matt Shutler will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
- 4. There are very limited provisions for sheltering participants in the event of severe weather.
- 5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will be delayed until 30 minutes have passed since thunder was last heard.

D. Fire

- 1. If a specific hazard has been identified as an increased risk of fire at this event, event manager will work with the Fire Department to determine how to address the hazard.
- 2. All event staff will be instructed on the safe use of Portable Fire Extinguishers.
- 3. If cooking is intended, you must contact the fire department and -
 - a) Must have a valid fire extinguisher, 2A10BC
 - b) Each space is allowed 1 LP tank per cooking device. All LP tanks are to be secured in an approved manner (tied, strapped, chained, etc.)

- c) No cooking shall be allowed under a tent. Cooking shall be a minimum of 20' away from tents/canopies.
 - d) Cooking must be on a non-combustible surface (grease collection material generally required under cooking and food service areas)
- 4. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines
- 5. All tents/canopies used for cooking shall have a FLAME SPREAD Certification attached to the tent.
- 6. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

E. Medical Emergencies

- 1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
- 2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.
- 3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:
 - a) nature of emergency
 - b) precise location
 - c) contact person with callback number

F. Law Enforcement

- 1. The need for constant Law Enforcement presence at this event
