INSTRUCTIONS

Prior to Application Submittal

- 1. Pre-Application Meeting.** Prior to the submittal of a Land Use Application, the applicant is strongly encouraged to meet with Planning and Zoning staff to discuss the development proposal, review concept plans in detail, and discuss the approval process. Applicants are also strongly encouraged to meet with the district alderperson, adjoining neighbors/property owners, and neighborhood association(s), if applicable, prior to submitting an application. If UDC review or approval is also required, a pre-application meeting with the UDC Secretary is required. Call the Planning Division at (608) 266-4635 for further assistance and to set up an appointment.
- 2. Pre-Application Notification.** A letter or email notifying 1) the **alderperson** (<http://www.cityofmadison.com/Council/councilMembers/map.cfm>), 2) any **City-registered neighborhood association(s)** (https://www.cityofmadison.com/dpced/planning/documents/Neighborhood_Associations.pdf), and 3) any **City-listed business association(s)** (<https://www.cityofmadison.com/dpced/economicdevelopment/neighborhoodbusinessassociations.cfm>) serving the subject site, must be sent by the applicant **at least 30 days** prior to submitting an application. This notice **must clearly state that the applicant is "intending to file a [demolition/conditional use/zoning map amendment] application"** and **specify the project address. If this notice requirement is not met, an application will not be accepted.** Notices may also include other information such as contact information, timelines, or descriptions of the proposal. **Note:** The alderperson and the Director of Planning & Community & Economic Development may waive or reduce the 30-day notification requirement. A copy of the pre-application notification letters or any correspondence granting a waiver or reduction of the 30 days is required to be submitted as part of the application materials.

Additional Notification Requirement for Demolition Permits: For all Demolition requests, posting notice of the requested demolition to the Demolition Listserv is required **at least 30 days** prior to submitting an application. Demolition Listserv: <https://www.cityofmadison.com/developmentCenter/demolitionNotification/notificationForm.cfm>.

Submitting Your Application

- 1. Submittal Deadline Date.** Application submittal deadlines are as noted on the annual Development Review Schedule (https://www.cityofmadison.com/dpced/planning/documents/Joint_UDC_Plan_Commission_Schedule.pdf) for the Plan Commission (PC) and Urban Design Commission (UDC). These are Wednesdays at 12:00 p.m., unless otherwise noted. Submittals should be dropped off at the Zoning Counter on the lower level of the Madison Municipal Building, located at the address noted at the top of this page.
- 2. Submittal Appointments.** Land Use Applications are encouraged to be submitted by appointment at the Zoning Counter. To schedule an appointment, please call the Zoning Department at (608) 266-4551. Appointments will be scheduled on a first come - first served basis and must occur at or before 11:45 a.m. on the submission deadline date.
For Joint UDC+ Land Use Applications: If your project requires both UDC and Land Use Application submittals, a completed UDC Application (<https://www.cityofmadison.com/dpced/planning/documents/UDCApp.pdf>) and accompanying submittal materials are also required. Late application submittals will be scheduled for the next application review cycle.
- 3. Completeness Review.** Per Section 28.181(4), MGO, **the Zoning Administrator may refuse to accept an application, if it is determined to be incomplete.** A "complete" application includes a completed Land Use Application Form (pages 3-5 of this form) and the submission of all required application materials as indicated on its Submittal Checklist (page 4). For a detailed list of the content requirements for the various plan sheets, as well as the submittal requirements for those application types requiring supplemental materials, please see Land Use Application Form LND-B (<https://www.cityofmadison.com/dpced/bi/documents/LUAChecklist.pdf>). Applications deemed complete will be scheduled for the public hearing date(s) specified on the Development Review Schedule (see #1 above).
- 4. Digital Copies Required.** Digital copies (PDFs) of all items submitted in hard copy are required, as described on the Land Use Application Form.

INSTRUCTIONS (CONTINUED)

After Filing an Application

1. **Public Notice.** This will occur in three ways: 1) The Zoning Administrator will prepare a “notice of hearing” sign, which **the applicant must post in a highly visible location on the subject site at least 21 days prior** to the scheduled public hearing; 2) City staff will post notice in the Wisconsin State Journal; and 3) City staff will notify, by mail, the applicant as well as property owners and occupants within 200 feet of the boundaries of the property.
2. **Development Review.** Application materials will be circulated to several City agencies for review. Upon completion of the development review process by staff, the applicant will receive a copy of the staff report to the Plan Commission – containing staff’s analysis and recommended conditions of approval – prior to the scheduled public hearing. **Note:** review of construction drawings, submitted in order to obtain building permits, is a separate process which is not included in the review of land use applications.
3. **Post-Submission Design Changes.** Please note that subsequent revisions to submittal materials will likely result in rescheduling of public hearings (i.e. being deferred to a later review cycle).

Plan Commission Review Process

1. **Plan Commission Attendance Required.** Please note that the applicant or a representative is required to attend the Plan Commission public hearing and should remain at the meeting until the Commission votes on their item. The attendee should be prepared to provide a brief overview to the Plan Commission (with visual aids, if desired) and answer questions related to the application proposal. Failure to appear at the scheduled hearing may cause referral of the matter to a future hearing date.
2. **Final Action.** The Plan Commission is the decision-making body for the majority of Land Use Applications, with the exception of rezoning, annexation, subdivision, and zoning text amendment requests (the latter three however, use a different application form). The Plan Commission can approve, conditionally approve, reject (deny), or refer (to a future hearing) those Land Use Applications that it has purview over based on their review of the request for consistency with the applicable review criteria and development standards found in City ordinances. For all other Land Use Applications, the Plan Commission will make an advisory recommendation to the Common Council, who will take final action to approve, conditionally approve, or reject the application.
3. **Disposition Letter and Next Steps.** After final action has been taken on an application, the Planning Division will draft a disposition letter that provides a detailed list of the conditions of approval. The disposition letter will also contain instructions for finalizing the requested land use approvals which are required prior to receiving permits for demolition or new construction. A copy of the letter will be sent to the contact person identified on the application.

Finalizing Approval

1. **Plan Revision and Resubmission.** After approval is granted, the applicant is responsible for satisfying the various conditions of approval, as contained in the Disposition Letter. If the applicant should have specific questions about a condition, they should contact the particular agency that submitted the condition. The applicant shall then resubmit plan sets as specified in the Disposition Letter along with the filing fee (see the filing fee table on Page 6). These plan sets are then distributed to City Agencies who submitted conditions of approval during the initial plan review to verify that their conditions, along with any applicable requirements have been satisfied. When the revised plans are submitted, the applicant will be emailed a hyperlink to a website to follow, in real time, which agencies have reviewed the revised documents, and signed off or need additional information.
2. **Final Approval.** Once all City Agencies have signed off, Zoning Staff will issue final approval and the applicant may then pull any other necessary permits. **Note:** separate building, sign, or demolition permits issued by the Building Inspection Division will be required before work on the project can commence. Questions on this matter should be directed to the Building Inspection Division, (608) 266-4551.
