Dear Sir or Madam:

The Marquette Neighborhood Association has met several times with the Heartland Credit Union team regarding the renovation of their 944 Williamson Street location.

We unanimously support the proposed remodel of the site especially the traffic calming design, the relocation of the ATM location for safer public use, and the inclusion of low-impact lighting to the exterior.

We ask that Planning consider the possibility of adding a speed bump to the exit of the drive-thru for additional traffic safety. Furthermore, please support protection of the tree canopy at the site by whatever means possible.

Heartland Credit Union is an important neighbor-business to our district and we support their improvements.

Thank You,

Anita Krasno, MNA President
