Fiscal Note

On March 23, 2020, the Mayor issued an Emergency Proclamation based on the increasing transmission of the COVID-19 virus within the City of Madison. To help mitigate the financial impacts of this emergency on the businesses and residents of Madison, the proposed resolution temporarily suspends parking regulations under Madison General Ordinance Section 12.122, to support curbside pickup from grocery stores and restaurants until the emergency ends.

The fiscal impact varies by each specific area and how the parking restrictions in that area are posted.

A budget amendment is not proposed at this time. The Finance Department is closely monitoring the 2020 budget and subsequent budget amendment resolutions to fully fund the response efforts are anticipated in the future.
