Hi Julie,

I apologize for this being last minute, but I wanted to express my strong support of the most recent designs for Veridian's Twin Homes for 6114 Driscoll Drive, agenda item #21 at UDC tonight. The current iterations have a very attractive look and closely match the neighboring homes. Additionally, this design was achieved while keeping the costs at a reasonable level. Thus, these homes will provide an affordable option for folks wanting to buy a home in the area and contribute to the kinds of "missing middle" housing that our city is in great need of.

I hope that UDC will be supportive of these designs.

Thank you so much. I hope you are staying well.

Warmly,

Lindsay
