Subject: FW: New Subcontractor List Requirement - Contract 8853

Hi Keea,

We announced at our semi-annual Engineers, Contractors, and Developers meeting in February 2020 that going forward The City of Madison needs the full legal name of any subcontractor on the subcontractor list. From this information we confirm that each company is able to legally work in Wisconsin.

Nu Line Striping is not on the WI DFI website. Without their company being listing on this website (<http://www.wdfi.org/corporations/>) I can't approve them on the subcontractor list to work on a Public Works contract. If they are not a sole proprietor, then they need to get listed before the subcontractor list can be approved.

Regards,
